

Overview

This quick reference guide is intended for Suppliers and details the steps to register their interest in working with OZ Minerals.

Pre-requisite steps:

- Your business is new to OZ Minerals and or:
 - received a URL from an OZ Minerals Contact to register a supplier account
 - you registered via the OZ Minerals Website

Create Supplier Account

Step	Details	
1.	Click on register URL.	
2.	Complete all Mandatory Contact Information details: <ul style="list-style-type: none"> • First Name • Last Name • Direct Phone • Email • Re-Enter Email • Password • Confirm Password 	
3.	Click on the Save button. You will receive an activation email from agiloft@ozminerals.com with a link to verify your email and complete your Supplier Profile.	
Note	If your email has already been registered, you will receive the following message.	
	<div style="border: 1px solid orange; padding: 5px; display: inline-block;"> ✘ The Email field must be a "unique value", and a record with the value of CASSReg@outlook.com already exists. Please enter a unique Email and try again. </div>
