The Federal Court of Australia has today made orders:

- that OZ Minerals convene a meeting of OZ Minerals shareholders to consider and vote on the Scheme ("Scheme Meeting"); and
- approving the distribution of an explanatory statement providing information about the Scheme and the Notice of Scheme Meeting ("Scheme Booklet") to OZ Minerals shareholders.

Scheme Booklet

The Scheme Booklet will be released to ASX and sent to OZ Minerals shareholders following registration with the Australian Securities and Investments Commission ("ASIC").

The Scheme Booklet is expected to be registered with ASIC on Friday, 3 March 2023.

Following ASIC registration and release to the ASX, an electronic version of the Scheme Booklet, including the Independent Expert's report, will also be available for viewing and downloading at <https://events.miraqle.com/ozl-scheme/>.

The Scheme Booklet will also be sent to OZ Minerals shareholders as follows:

- shareholders who have elected to receive hard copies of all communications from OZ Minerals will receive a letter (by post) with a physical copy of the Scheme Booklet and a personalised proxy form; and
- all other shareholders will receive a letter (by post), containing instructions about how to view or download a copy of the Scheme Booklet, together with a personalised proxy form.

OZ Minerals shareholders should carefully read the Scheme Booklet in its entirety, including the materials accompanying it, before deciding whether to vote in favour of the Scheme. Independent Expert's Report and Directors' recommendation

The Scheme Booklet includes a copy of the Independent Expert's Report prepared by Grant Samuel & Associates Pty Limited ("Independent Expert"). The Independent Expert has concluded the Scheme is fair and reasonable and in the best interests of OZ Minerals shareholders, in the absence of a Superior Proposal (as defined in the Scheme Implementation Deed OZ Minerals released to the ASX on 22 December 2022).

The Directors of OZ Minerals unanimously recommend that OZ Minerals shareholders vote in favour of the Scheme at the Scheme Meeting, in the absence of a Superior Proposal and subject to the Independent Expert continuing to conclude that the Scheme is in the best interests of OZ Minerals shareholders. Subject to those same qualifications, each member of the OZ Minerals Board intends to vote, or cause to be voted, all OZ Minerals shares in which they have a relevant interest in favour of the Scheme.
