9 March 2023

Dear Shareholder

Important information - Scheme Booklet, Independent Expert's Report and Scheme Meeting

As announced by OZ Minerals Limited ('OZ Minerals') to the ASX on 2 March 2023, the Federal Court of Australia (sitting in Melbourne) has approved OZ Minerals convening a meeting ('Scheme Meeting') of all OZ Minerals shareholders ('OZ Minerals Shareholders') to consider and vote on BHP Lonsdale Investments Pty Ltd's, a wholly owned subsidiary of BHP Group Limited, proposed acquisition of 100% of the shares in OZ Minerals by scheme of arrangement ('Scheme').

OZ Minerals Directors unanimously recommend that you vote in favour of the Scheme, subject to the Independent Expert continuing to conclude that the Scheme is in the best interests of OZ Minerals Shareholders and there being no Superior Proposal.¹

If you have recently sold all of your OZ Minerals Shares, please disregard this letter.

Scheme Booklet

This letter is being sent to you because you have elected to receive hard copies of certain shareholder communications or because our email (providing a link to the relevant materials) could not be delivered to your nominated email address.

If:

- you have elected to receive a hard copy of the Scheme Booklet, a hard copy of the Scheme Booklet and a personalised proxy form is enclosed; or
- you did not elect to receive a hard copy of the Scheme Booklet, or our email could not be delivered to your nominated email address, a copy of the Scheme Booklet can be viewed and downloaded online at <https://events.miraqle.com/ozl-scheme> or on OZ Minerals' ASX Market announcement page at <https://www2.asx.com.au>, under OZ Minerals ticker code OZL, and a personalised proxy form is also enclosed.

You should read the Scheme Booklet in full before deciding how to vote on the Scheme Resolution.

Unless otherwise defined, capitalised terms used in this letter have the meaning given to them in the Scheme Booklet.

Independent Expert's Report

OZ Minerals appointed Grant Samuel to prepare an Independent Expert's Report, including an opinion as to whether the Scheme is in the best interests of OZ Minerals Shareholders.

The Independent Expert has concluded that the Scheme is fair and reasonable and therefore is in the best interests of OZ Minerals Shareholders in the absence of a Superior Proposal.

¹ You should note when considering this recommendation that, if the Scheme becomes Effective, OZ Minerals' Managing Director and Chief Executive Officer, Andrew Cole, will receive a cash payment of approximately \$6 million in relation to his entitlements under OZ Minerals' incentive plans. Please see Section 7.14 of the Scheme Booklet for more information. The OZ Minerals Board, and Mr Cole, consider that notwithstanding these arrangements, it is appropriate for Mr Cole to make a recommendation on the Scheme given Mr Cole's role in the operation and management of OZ Minerals and that OZ Minerals Shareholders would wish to know Mr Cole's views in relation to the Scheme.

The Independent Expert's Report is included as Appendix B of the Scheme Booklet. Your OZ Minerals Directors encourage you to read It in full.
